

...of real, lasting change

Did you know that as early as sixth grade, we can predict who will drop out of high school? And up to 20% of Connecticut kids don't graduate on time.

Last year, 3,000 young people improved their academic skills to help them stay on track and in school, through programs supported by United Way *Community Investment*.

...for all of us.

Nationwide, 66% of all working age adults with disabilities are unemployed. *Community Investment* supports physical and vocational rehabilitation services that help our neighbors with disabilities achieve their full potential.

United Way *Community Investment* works because together, we can do more than any one of us can alone.

LIVE UNITED
Be a part of the change.

Please give to *Community Investment* through your workplace United Way Community Campaign or online at unitedwayinc.org.

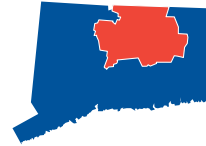

Right now, one in five Connecticut families can't make ends meet. And one in ten children lives in poverty. *Community Investment* helps lower-income families find safe, affordable housing, train for better jobs, and learn how to save for the future.

Tell us on Facebook or unitedwayinc.org/changetheworld

who share your vision...

From Enfield to Marlborough and New Britain to Willimantic, your gift to United Way Community Investment stays right here in our 40-town region.

United Way of Central and Northeastern Connecticut

United Way of Central and Northeastern Connecticut and Community Health Charities of New England are partners in advancing the common good across 40 towns in central and northeastern Connecticut. For a list of individual partner agencies and designation code numbers, visit unitedwayinc.org/partners.

THANK YOU FOR LIVING UNITED!

How can you change the world?

By joining with others
