## UNITED WAY COMMUNITY INVESTMENT PARTNERS

When you designate your gift to United Way **Community Investment**, you're joining like-minded people to create real, lasting change right here in central and northeastern Connecticut: preparing children for school and keeping them on track, helping lower-income families learn how to make ends meet, and providing a safety net of health and human services for all of us. One gift to *Community Investment* supports programs at *all* of the agencies listed below - as well as the full member charities of our campaign partners at Community Health Charities of New England (see reverse side).
