

UNITED WAY COMMUNITY CAMPAIGN 2010 “ELEVATOR SPEECH”

United Way advances the common good by creating opportunities for a better life for all. We focus on the building blocks of a good life: education, income and health. When you contribute to the United Way Community Campaign and choose *Community Investment*, you help to ensure success for children, financial stability for lower-income families, and a safety net of health and human services for everyone in central and northeastern Connecticut. We invite you to LIVE UNITED by contributing to the United Way Community Campaign.
